Mathematician: Year 2

Practise your times tables by visiting TTRS. Make sure you play on Garage Band to increase your scores and improve your heat map.

Mathematician: Year 1

Year 1 will begin to learn about multiplication & division. Please practise counting forwards and backwards in 2's, 5's and 10's..

We will also be looking at halves and quarters of objects. Can you make a simple cake/pizza and cut it into halves or quarters to share with your family.

Scientist:

This term we are finding out about plants. Have a go at growing some flowers or vegetables. Document this in an exciting way to share with the class. You could keep a diary, make a video or take some photos.

Geography:

This term we are looking at coastlines. Talk to your family about the places you have been to on holiday. Make a list of the man-made and natural features that you found there.

Music:

Make an untuned percussion instrument from junk modelling materials. Watch this video to get some ideas.
