Year 3 & Year 4 Science

Year 3 and 4 started off their electrify topic with a 'spark', exploring different electrical items and testing out their own ideas. Some of the children managed to make a simple circuit independently, and we even managed to light an LED with lemons!

Year 5 Art

Y5 have been focusing upon typography during Art lessons; investigating different fonts used in magazines/newspapers and books. The children initially planned their own fonts and used colour paper to cut out each letter, before designing letters based around their favourite themes. A wonderful selection of artistic designs in the first few weeks of Year 5!

Harvest Festival

We will be celebrating Harvest Festival in assembly on Thursday 2nd October. Harvest Festival is a celebration of the food grown on the land and it reminds Christians of all the good things God gives them. This makes them want to share with others who are not so fortunate. This year we have decided to support Deep In Kindness Charity and they would be grateful for any of the following donations:

Canned food/Bottled water/Tea/Coffee/Squash/Bread/Jam/Biscuits/Pasta/Rice/Cereal/Toiletries/Baby Products/ Long-Life Products - Please bring any donations to the school office.
