

Y6 Online Safety Workshop

Year 6 recently participated in an Online Safety workshop delivered by the local council. The children were taught how to keep themselves safe when online, the possible dangers that could be faced and what to do if they felt they were not safe or had accidentally accessed inappropriate content. They also explored the world of AI and how easy it is to be tricked into thinking something is real when it isn't and the pressures of social media.

Lincolnshire Day

We celebrated Lincolnshire Day in assembly and pupils learnt about the county's history, traditions, and local landmarks. It was a wonderful opportunity to take pride in our Lincolnshire heritage and explore what makes our county unique. Following the assembly, pupils were invited to take part in a creative competition - designing their own Lincolnshire-themed gingerbread man, castle, or flag. We were amazed by the imagination and effort that went into every entry! A big well done to everyone who took part - your designs truly captured the spirit of Lincolnshire!

Y3 & Y4 Road Safety Workshop

Year 3 & 4 had a visitor in to discuss car and road safety. They learnt about the different parts of a car and how tall you should be to no longer use a car seat (135cm). In the following session, they learnt how to be safe near roads; battling against each other to see which team was the best Road Safety Superhero!

Amazing Homework

We've been blown away by the incredible homework projects recently - the creativity, effort, and enthusiasm from the children have been fantastic to see! A huge thank you to all the parents and carers for your continued support at home. Your encouragement makes a real difference, and it's clear the children have taken great pride in their work. Well done, everyone!

Partnership with Gambia School

This afternoon we continued our school partnership with JoFi International School in the Gambia. The children in Y5 asked the children questions about the school and local cultures including the weather and favourite foods! Y5 used this to make comparisons to our geography topic of South America. Y5 also shared our most recent diary writing to the children in Gambia, who provided positive feedback about the presentation and detail included! We hope to continue this partnership and share more writing/stories and festival celebrations in the future.

Girls Football

A huge congratulations to our Year 6 girls' football team who won their recent competition and secured a place in the county final! The team showed fantastic teamwork, determination, and skill throughout the tournament, and we couldn't be prouder of their achievement. Well done, girls - and good luck in the final!
