

Merry Christmas & Happy New Year from Linchfield!

Once again, we have enjoyed a brilliant build-up to Christmas at Linchfield this year, beginning our celebrations with a Christingle assembly in school, which Reverend Mark kindly joined us for.

The children have loved performing in, and watching, a variety of shows, including Christmas concerts where they sang beautifully and played musical instruments with great confidence. We also thoroughly enjoyed the EYFS and KS1 Nativity performances, which were a real highlight and a joy to watch.

Although we were unable to hold our usual carol service in church due to the weather, we held it in school instead, and the children were amazing. The singing was beautiful, and the readings were delivered with great confidence and care.

Our amazing PTA organised a visit from Santa, which went down a treat, as well as Christmas movie nights. The PTA also funded the pantomime, which the whole school thoroughly enjoyed.

Thank you to all of our staff for making this Christmas so special for our children, and to our wonderful families for your continued support at all of our events. I hope you all have a wonderful Christmas and a very Happy New Year!

Year 5 Writing

Last week, Year 5 held a parent showcase as the final outcome of their biography writing unit. Throughout the unit, pupils researched significant individuals, developed their note-taking skills, and focused on organising information clearly and effectively. Thank you to all the parents and carers who attended and took the time to read the finished biographies with their children. It was a wonderful way to celebrate the end of Term 2 in Year 5.

Good Luck Mrs Lowe!

Best wishes to Mrs Lowe for the birth of her baby girl. We look forward to seeing both Mrs Lowe and the new baby in the New Year.

Year 5 DT

Year 5 recently had a wonderful experience creating bird hides, shelters and mini habitats for hedgehogs. This term's design and technology, focused upon investigating and designing the best features for a bird hide shelter. The children loved using the school forest school area to combine sticks and different materials to create their structures from their book designs. The children will evaluate their designs next week.
