

Year 5 Visit to Peterborough Mosque & Cathedral

On Thursday, Y5 had a wonderful educational visit to the Peterborough Mosque and Peterborough Cathedral. The children were given a tour of both buildings as well as learning about the key beliefs of Islam and Christianity. The children were able to make links to our school values. All the children were fantastic, engaged and respectful throughout. We thank the volunteers and both venues for welcoming our school.

NSPCC Number Day

Here at Linchfield Primary School, we are delighted again to be supporting the NSPCC, by taking part in Number Day, on

Friday 6th February 2026 - Non-uniform for whole school.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. As part of our fun day of maths activities, we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for **voluntary** donations, and we'd love everyone in the school to take part in this special event. Please send in any donation (however small) to support NSPCC's work in a sealed envelope.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Linchfield will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

You can find out more about the NSPCC's work at nspcc.org.uk

We're proud to support

Different Culture Narratives

Year 5 recently shared their English Different Culture Narratives with JoFi Gambia International School. In return, the pupils shared their own stories, introduced us to traditional African outfits, taught us about their culture and performed a song for us. This was a valuable and enriching experience that helped our children develop a greater appreciation of different cultures around the world.

Bag2School
