Comic Relief

A big thank you to everyone who came to school dressed in red and made a donation for Comic Relief. It was wonderful to see so much enthusiasm and creativity, and your support has helped make a real difference.

We support Comic Relief because it raises vital funds to help people facing poverty and hardship, both here in the UK and around the world. The money raised goes towards providing food, shelter, education, and support for those who need it most. Just as importantly, it helps raise awareness and encourages us all to think about how we can show kindness and make a positive impact.

We are very proud of our school community for coming together for such an important cause—thank you for your generosity!

Parking Outside School

If you have to drive to school, then **please ensure that you park responsibly**. Under no circumstances should anyone be parking on the path or the yellow zig-zag lines outside school as this makes getting into school very dangerous for our children and families. Unfortunately, schools do not have parking areas on site for parents so it is important that you allow enough time at drop off and collection times to park responsibly and get to school for your child's allocated time. Thank you for helping us to keep everyone safe.

Year 5 First Aid Workshops

Y5 had first aid training provided by our PE provider Inspire+ on Tuesday and Wednesday. The children learnt how to apply a bandage for a fracture, the stages of CPR and how to apply the recovery position. The children even learnt the correct numbers to call in different situations. Vital life skills covered by all in Y5.

Therapy Dog

We were delighted to welcome Molly the therapy dog to the Hubble this week. The children loved spending time with her and were excited by her visit.

Molly helped create a calm and happy atmosphere, supporting children's wellbeing. We hope to welcome her back again soon!

Fire Drill & Lockdown Drill

At Linchfield, the safety of our pupils and staff is always our highest priority. As part of our safeguarding procedures, we regularly carry out both **fire drills** and **lockdown drills** so that everyone knows exactly what to do in the unlikely event of an emergency.

Fire Drill

We regularly practise fire drills to ensure all pupils and staff know how to leave the building quickly and safely. When the alarm sounds, children calmly follow staff to the designated assembly point, where registers are taken to ensure everyone is accounted for.

Lockdown Drill

We also carry out lockdown drills to prepare for situations where it is safest for children to remain inside the building. During a lockdown drill, classrooms are secured and children remain quiet and calm. These drills are explained to pupils in an age-appropriate way to avoid causing worry.

Book Fair

Thank you to everyone who supported our recent Book Fair. Your enthusiasm and generosity made it a wonderful success.

We are delighted to share that, as a result, we have raised £408.48 to spend on new books for the school. This will make a real difference in enriching our library and supporting our children's love of reading. Thank you once again for your continued support.

Summer Picnic & Dance

We look forward to welcoming parents and carers to our **Summer Dance** this year, which will be held on **Friday 12 June**. Parents and carers are invited to enjoy a picnic on the field with their child/ren before watching the children perform their dances. We're sure it will be a lovely afternoon celebrating the children's hard work and creativity. We hope to see you there!
