

Gardening

Mr Goff, Mrs Twelvetree and various groups of children have been working incredibly hard to improve and maintain our school garden area, as well as the planters at the front of the school.

They are doing a fantastic job and their hard work and dedication are really making a difference to the appearance of our school environment. Thank you to everyone involved for their continued effort and enthusiasm.

Healthy Relationships

Year 6 recently took part in a workshop focused on healthy relationships. Throughout the session, the children explored a range of important topics linked to identity, self-esteem and personal wellbeing. They discussed how our identities can be influenced by a variety of factors, including peer pressure, our environment and the media. The workshop also encouraged the children to think about stereotypes and the impact these can have on individuals and society.

As part of the session, pupils learnt about the importance of respectful relationships, making positive choices and how to keep themselves safe both in school and beyond. The children engaged thoughtfully in discussions and represented the school brilliantly throughout the workshop.

Personal Boundaries

Year 3 and Year 4 had a workshop relating to personal boundaries. They were encouraged to think about their own boundaries as well as respecting other people's.

MONSTER POETRY

Writing competition time; this time the competition theme is Monster Poetry! If you would like to get involved and have the chance to be a published author, collect your entry form from Mrs Bates. Once you have written your poem, please return the entry form to Mrs Bates by Friday 15th May 2026.
