

Scientist

This term we are studying Living Things and Their Habitats. Can you produce a poster about Classification?

Mathematician

Make sure you are a rock star on TTRS!

Our maths this term will be inked to our Pop Up Restaurant. Could you select a favourite recipe from home then use your mathematical skills to ensure the recipe feeds the 57 children in Year 6? Next, could you calculate how much it would cost to make this meal for 57 children?

PSHRE—Relationship Education

Consider the ways in which our actions and words affect the feelings of others. Produce an advice leaflet on how someone should consider the feelings of others and how we should accept differences and other people's family arrangements.

Linchfield Community Primary School

Year 6 Homework Grid

This term, the homework grid is based around our topic 'The Maya'. Please ensure that six pieces of homework are completed during this term. Homework can be brought in to share with your class on a Friday.

Writer

Linked to our Guided Reading text 'The Song From Somewhere Else', can you produce a piece of writing describing the basement? Or, can you produce your own story tackling bullying?

RE—Eternity

We will be looking at what 'eternity' is and religious ideas about heaven, immortality and reincarnation. Choose a religion that we have looked at throughout the year and produce an information booklet or Powerpoint to demonstrate their beliefs around eternity.

Historian

This term in History we are studying The Maya.

Can you write your name in Maya hieroglyphs?

Ancient Maya Hieroglyphs

DT—Textiles

We will be learning about creating a 3D object out of textiles this term.

Can you use material to create a 3D object linked to our learning of the Maya?
