

Linchfield Community Primary School

Year 1/2 Homework Grid

This term, the homework grid is based around our topic 'The school and surrounding area'.

Computing:

This term we are looking at the technology around us and what we use it for.

Search for technology around your home.

What do your family use it for?

Draw and label the technology you find.

Reading:

Children are encouraged to read five times a week. This can be recorded in their reading diary. They will take a phonics book home that they have practised in class and an additional, new book bag book.

Science:

This term we will be looking at 'Animals including Humans'. This unit is about growth. During our learning, we will be experiencing and observing first hand the growth of a caterpillar into a butterfly (life cycle).

Why not:

Choose an animal and create a life cycle, fact file or visit somewhere exploring growth.

Geography:

We will be learning about our local area. We will learn about aerial photos of Market Deeping. Children will create an aerial image using a paper map or alternatively looking at google map to recreate Market Deeping. They can use lego, bricks, duplo, sticks, stones etc.

Art:

Collect objects, which inspire you to create a collage. This could be items from your garden, a woodland walk, or even from your house.

Photos can be printed and shown to inspire the class.

RE/PSHRE: This term we will look at Nature and God. In preparation for the Harvest Festival, create a harvest festival poster, wreath or paper plate leaves.

Maths Year 2 :

Children to practise quick number facts off by heart. This includes:
Number bonds to ten and twenty.
Your child needs to use these number bonds to know corresponding subtraction facts e.g if $2 + 8 = 10$ then $10 - 2 = 8$

Counting backwards and forwards in 2's, 5's and 10's to 100.

Maths Year 1:

In maths this term we will be focusing on Place Value up to 10.

Can you create and label your own number line to 10 using objects around your house.

Practise writing your numerals to 10.
