Linchfield Community Primary School

Year 6 Homework Grid

This term, the homework grid is based around our topic 'World at War'. Please ensure that six pieces of homework are completed during this term. Homework can be brought in to share with your class on a Friday.

World at War

Scientist

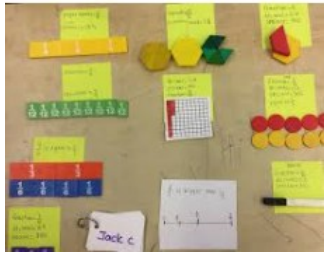

This term we are studying Light. Experiment and see how light creates shadows. Take photographs or draw pictures of objects with the light shining from 3 different angles. How does this change the shadow?

Mathematician

Also, make sure you are a rock star on TTRS!

This term we will be learning about fractions. Can you show your knowledge of fractions using objects from around the home? You could show this in several ways, producing a fraction museum.

Wonderful Friend

In PSHE we are looking at relationships and what makes a good friend, together with anti-bullying. Produce an anti-bullying poster or Powerpoint that you can share with your peers.

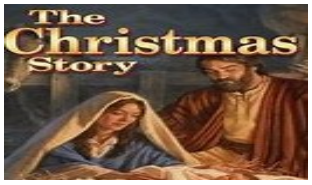

Journalist

Our writing this term will be linked to our World War 2 topic'. Can you write a letter home as a soldier away at war? Think about how they would be feeling and what they would say to their families at home.

RE

This term we will be learning about The Christmas Story. Can you produce a poster/ Power point demonstrating how Christians celebrate Christmas in different countries?

Historian

This term in History we are studying World War 2. Can you produce an information leaflet about World War 2, a propaganda poster or a pic-collage about The Holocaust?

Computer expert

This term we will be focusing upon 3D modelling. Can you find an object at home and make a sketch, identifying the 3D shapes used to create it?

Artist/Designer

Can you create a piece of art or DT linked to the war? This could be a 3D model of a trench or an Anderson Shelter. Or it could be a piece of art representing The Blitz!
